

HSSR #277 Sunday Sandy Session

Shoot

date: 6/13/10

post date: 6/15/10

Location: Sandy Beach

Trying

to get a parking spot at Sandy Beach Park on a Sunday is no easy task, especially when its summer vacation and the waves are cranking. But using the Gaupp-Method i found a spot for us to park and spend a few minutes on the beach, snag a sunburn and shooting the shore break and the daring souls who ride them.
